

FUTURE OF NURSING™

Campaign for Action

AT THE CENTER TO CHAMPION NURSING IN AMERICA

Diversity Funding

To be prepared to better care for an increasingly diverse population, the *Campaign for Action* is committed to increasing the diversity of the nursing faculty and workforce and encourages Action Coalitions to apply for grants and accept donations for that purpose. Listed below are the 17 states that have received such funding, the year(s) funded, amount received, and funder. Total funding allocated to diversity amounts to \$1,328,884.
