

NEXT GENERATION NCLEX RESOURCES AND LINKS

These NCSBN resources are just some of what's available on the NCSBN website to provide educators with additional information about the Next Generation NCLEX.

- [NCSBN/Campaign for Action full-length webinar – "Next Generation NCLEX: Countdown to Launch"](#) – This two-hour recorded webinar details the changes coming to the NCLEX-RN and NCLEX-PN exams, including rationales for the changes.
- [NGN Spring 2020 Newsletter – The Case Study](#) – This newsletter includes a sample Next Generation NCLEX case study and connects the sample items to the six cognitive steps of the NCSBN Clinical Judgment Measurement Model.
- [NGN Spring 2019 Newsletter – The Action Model](#) – This newsletter introduces the NCSBN Action Model, which is the resource used by item writers to develop Next Generation case studies.
- [NGN Summer 2020 Newsletter – Layer 4 of the NCSBN Clinical Judgment Measurement Model](#) – This newsletter details the "Layer 4" factors that add context and authenticity to Next Generation NCLEX case studies.
- [2021 Practice Analysis](#) – A comprehensive study of the work performed by entry-level nurses at both the [RN](#) and [PN](#) levels. Ultimately these studies help determine the "test plan" for the NCLEX-RN and NCLEX-PN exams.
- [Volunteer opportunities](#) – Your chance to write and/or review the items that will become part of the NCLEX-RN and NCLEX-PN exams.
